
Hi, welcome to our blog about the Cwb level 2 exam. We've put together this post with all the information you need to know about the CBWB level 2 exam, including what it is, what materials are needed for studying, and tips on how to prepare! We hope you find this post both informative and helpful in your preparation for taking your CBWB-level exam. We will publish other articles and blog posts as we complete the Cwb level 2 exam and we welcome any feedback and questions you have! Cwb Level 2 Exam: What is It? The CBWB level 2 exam is the second of 3 exams that must be passed to become a Certified Bodywork Business Manager. The level 1 exam covers the basics of what a CBWB needs to know. The level 1 exam also has an emphasis on ethics, which the level 2 exam lacks. Cwb Level 2 Exam: What Does it Cover? The materials that are included in the CBWB level 2 exam consist of: 1. Cwb Written Exam (50 Q&As) - 75% 2. Cwb Practical Exams (2-4 Practices) - 25% 3. Prepare to Practice (1-2 Practices) - 10% When You Take Your CBWB Level 2 Exam: How long will it take? Is there a time limit? The CBWB level 2 exam is usually scheduled around 1.5 months after you have passed the CBWB level 1 exam and you took your required code of conduct course or equivalent(s). You will be given a time limit of 1.5 hours to take the level 2 exam. When you take your CBWB level 2 exam: What can you bring with you to the testing center? You will want to bring the following: 1. The Exam Checklist (or flashcard set). 2. Your state law and/or business law textbook(s). We recommend having at least 2 copies so you can write notes in one, and keep the other clean for studying and review purposes. We also recommend buying a separate book for checklists so that after the test date, you can go over your checklist and see which ones you missed or need extra review on. . When you take your CBWB level 2 exam: What can you NOT bring with you to the testing center? You can NOT bring the following: 1. Any kind of electronic device (including cell phones, calculators, tablets, laptops, etc). 2. A purse/bag (if it's possible for you to carry around these things, make sure they are in a clear plastic bag). You will need to have your phone out on the desk during the exam. There are no lockers available at most testing centers so it is best to leave any valuables at home or in your car. 3.
